

Info Sheet for Little Buckaroos Expansion Classes Spring, 2017

Class Name: Little Buckaroos Expansion Class

Class Type: Special Continuation Class for youngsters ages 5 to 7 who have had at least one week of Little Buckaroos Camp

Description: For our Little Buckaroos Campers to have a special class of their own, so that they can continue with their horse lessons. They are kind of "in-betweeners" (between the regular "Introduction to Horses & Riding" Clinics for ages 5 to 7, and being ready for higher level Group Lessons that typically start at age 8). We have devised a program that any past Little Buckaroo Camper, age 5 to 7, is eligible to join. It is more actual Riding Lessons than the Little Buckaroos 3-day Camps, and builds on what they learned in their Little Buckaroo Spring or Summer camp.

Here is the basic information:

Little Buckaroos Continuation Lessons:

- There will be a 6 lesson set for the Spring Session of 2017. The dates are consecutive Saturdays, from April 15th through May 20th.
- The classes will be structured like our regular Group Riding Lessons for the older kids, with special consideration for the younger ages in this group. They will learn the basics of seat, posture, leg & hand position, communication with their horse, and control. Their horse will not be on a lead line, but there will be counselors in the arena with them. Each child will be encouraged to ride without a sidewalker as much as possible. We will use the big arena rather than the smaller Round Pen. Those that are ready will begin to learn to post the trot.
- The classes will be 1 ½ hours long, with some ground work before and after the riding portion of the class. Each child will ride their own horse for the entire riding portion of the class (50 to 60 minutes riding time).
- Each class will meet every Saturday **from 2:30 to 4:00 PM** for the 6 week session. If a student must miss one of these classes, they will be allowed 1 make-up class.
- The Cost for this 6 week session is \$245 per child. Because each child has their own horse for the entire lesson, we have limited spots available in this class to ensure the safety and attention to each.

What to bring: Wear weather appropriate clothing, including long pants and closed shoes with socks (no flip-flops, sandals, clogs, Crocs, etc.). We provide riding helmets.

Location: Sun Pony Ranch

Ages: 5 through 7

Cost: \$245.00 for the 6 week session, 1 ½ hours per week
